Dear Sir/Madam:

Pursuant to 37 C.F.R § 1.27(g)(1-2), notification of loss of entitlement to small entity status is required when issue and maintenance fees are due, and that such notification must be filed in the application or patent prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate.

The above-referenced patent application was filed on December 8, 2000, and identified as being entitled to small entity status pursuant to 37 C.F.R § 1.27(a)(1-3). However, the applicant is no longer considered a small entity. Applicants hereby assert the new determination of loss of entitlement as a small entity.

On February 13, 2013, Applicant paid the maintenance fee in the amount of \$1,450.00, the small entity amount, for the 8-year maintenance fee via EFS Web leaving a fee deficiency of \$1,450.00.
